

Students' Placement Office Indian Institute of Technology Kanpur

Campus Recruitment Program 2013-14

IIT Kanpur welcomes you to participate in the Campus Recruitment Program for the graduating class of 2013-14. The placement process provides a unique platform for the students to showcase their skill set and the companies to recruit the potential leaders of tomorrow. Since inception, IIT Kanpur has played a major role in transforming students into competent global professionals contributing to the development of nation in their own way. Our distinguished alumni like Mr. N R Narayana Murthy, Mr. Jagjeet Singh Bindra, Dr. Pawan Goenka & Mr. Satish Kumar Kaura, to name a few, have marked territories of their own, challenging and redefining the rules of the conventional workspace.

Academic Programs Offered

Program	Streams/Specializations	
B. Tech. (Admission through JEE)	<ul style="list-style-type: none"> Aerospace Engineering Chemical Engineering Electrical Engineering Mechanical Engineering 	<ul style="list-style-type: none"> Biological Sciences & Bio-Engineering Computer Science & Engineering Civil Engineering Materials Science & Engineering
B. Tech. – M. Tech. (Dual Degree) (Admission through JEE)	<ul style="list-style-type: none"> Aerospace Engineering Civil Engineering Electrical Engineering 	<ul style="list-style-type: none"> Chemical Engineering Computer Science & Engineering Mechanical Engineering
5 yr M.Sc. (Admission through JEE)	<ul style="list-style-type: none"> Chemistry Physics 	<ul style="list-style-type: none"> Economics Mathematics & Scientific Computing
2 yr M.Sc. (Admission through JAM)	<ul style="list-style-type: none"> Chemistry Physics 	<ul style="list-style-type: none"> Mathematics Statistics
M. Tech. (Admission through GATE)	<ul style="list-style-type: none"> Aerospace Engineering Chemical Engineering Electrical Engineering Mechanical Engineering Materials Science Programme Laser Technology Environmental Engineering & Management 	<ul style="list-style-type: none"> Biological Sciences & Bio-Engineering Computer Science & Engineering Civil Engineering Materials & Metallurgical Engineering Industrial & Management Engineering Nuclear Engineering and Technology
MBA (Admission through CAT)	Specializations in Finance, Operations, IT and systems, Marketing, Management of services, Manufacturing Management	
Master of Design (Admission through CEED)	Specialization in Product Design and Visual Communication	
Ph.D.	Offered in various Engineering and Science streams mentioned above, and in Humanities and Social Sciences (Economics, Philosophy, Psychology, Sociology)

Grading System at IIT Kanpur

IIT Kanpur uses a 5 point letter grading system unlike a 7 point grading system followed in other IITs. This corresponds to difference of 2 units between each successive grade, as compared to 1 unit difference in seven point grading system. The Cumulative Performance Index (CPI) is a measure of the overall academic performance of the student and is calculated as the weighted average of the student's performance in all the semesters.

Grading scheme for the UG (B.Tech, Dual Degree and M.Sc. Integrated)		
Grade	Denotation	Numerical Value
A	Excellent	10
B	Good	8
C	Average	6
D	Marginal	4
F	Failed	2

Grading scheme for the PG (M.Tech, M.Sc. 2 yr, MBA, MDes and PhD)		
Grade	Denotation	Numerical Value
A	Excellent	10
B	Good	8
C	Average	6
D	Marginal	4
E	Poor	2
F	Failed	0

Student Activities at IIT Kanpur

IIT Kanpur promotes a host of student activities which range from inter-hostel competitions to festivals conducted at the national level. Through various national festivals like **Techkriti**-Technical & Entrepreneurship, **Antaragni**-Cultural **Udghosh**-Sports, students get a chance to polish their soft skills and develop leadership and organizational qualities which are quintessential in every professional domain. The Inter-Hostel cultural, technical and sports championships provide plethora of opportunities for students to develop their personality in an all-round manner. The students also run various clubs and organizations which organize several workshops and competitions all around the year in addition to representing IIT Kanpur at national level competitions. Career awareness workshops and personality development sessions are also organised regularly for students to excel in their personal and professional endeavors.

Placement Policy

IIT Kanpur follows a “**One Student, One job**” policy. When a student receives a job offer, he/she will not be allowed to appear for interview with other companies henceforth.

We will keep you updated with rest of the placement policies through our further communications.

Assistance in Campus Visit

The Students’ Placement Office will be pleased to coordinate your campus visit with the following assistance:

- Display of company’s publicity material at the online placement portal & appropriate Notice Boards.
- Announcement of the job openings on the Placement Automation System (PAS).
- Organization of Pre-Placement Talk.
- Providing resumes of candidates for short-listing through the PAS.
- Logistics for written tests, group discussions, group activities and interviews.
- Video Conferencing facility.

Please refer to the Students’ Placement office (SPO) website of IIT Kanpur for relevant information on travel and accommodation.
